

Inclement Weather/ School Cancellations

INCLEMENT AND SCHOOL CANCELLATION

As a vendor of DISD, Studio Bella is required to close when a school is closed or when the entire district decides to close.

IF SCHOOL IS CLOSED FOR THE DAY...

If school is closed- meaning students have NOT been to school all day, Studio Bella is automatically closed. On the days of possible ice and snow, we recommend that you turn to the local news for school closings.

.....
Please note that Studio Bella does not issue refunds due to circumstances beyond our control including but not limited to program cancellations related to school/facilities, public health or weather closures.
.....

IF A CLOSURE ANNOUNCEMENT IS MADE DURING SCHOOL HOURS...

If the closure is due to the approach of potentially dangerous weather and we get the notification that all after school activities are being cancelled, Studio Bella will closed as required by DISD policy. Children must be picked up immediately after school for the safety of the child and your family as per DISD policy.

- We will announce closures by Facebook, the preferred application your school uses, and by text. Please have your site director's name and number in your phone, so that you will know the text is important.
- In the case of closure, DISD has instructed Studio Bella to provide a skeleton crew to support the program. If you CANNOT pick up your child by the time school closes, please notify the site director as soon as possible.
- A late fee of \$25 will apply to any student that is NOT picked up by 4:00 pm. in the case of a school closure/cancellation.
