

## **IS YOUR PREK CHILD READY FOR CAMP CHECKLIST?**

*We want all little ones to have a great time at summer camp with us!  
Here is a checklist that might help you decide whether your child is ready to join us this summer!*

- **My child is potty trained.**
  - What is Studio Bella’s definition of potty trained? Being able to tell an adult when they need to use the restroom.
  - Be free of accidents.\*
- **My child will not have severe separation anxiety when dropped off.**
- **My child plays well with others.**
- **My child is at least 3 years old at the time of camp.**
- **My child will be engaged in a fun 20 minute craft or a bubbling science experiment.**
- **My child can follow directions.**
- **My child can effectively communicate. For example, “I need to go potty”.**
- **My child understands that he or she needs to stay in the room and with his or her Director.**

\* Studio Bella Potty Policy: We understand that a child may have an accident every now and then as they may just not want to stop the fun to go to the potty. We are prepared to help with one accident. If your child has more than one accident, we will give you a call to come and change them during camp time. If you know that they will have recurring accidents and/or you will be unavailable to come and change them, then your child probably needs to wait until next camp season to join us. Thanks for your understanding!
