

SUMMER CAMP

2024

studiobellaforkids.com

INTRODUCTION

Welcome to Studio Bella Summer Camp – a camp that is rich with years of traditions, creativity and fun! Each camp session will have engaging and enriching projects and activities that foster team work, creativity and problem solving.

As a STEAM-based studio, we focus and fuse the 5 fields of Science, Technology Engineering, Art and Math together throughout the summer. We'll be building, brainstorming, creating and problem solving in each and every camp. Each week has a specific theme that is unveiled the first Monday morning of that week.

Our traditions create long-lasting memories for each and every camper. Two of those traditions include campers creating their own tie dye Studio Bella t-shirt and a fantastic collaborative activity at the end of each session. Our calendar, sample schedule and tuition rates are included as well as images from years past. We hope to see you this summer!

REGISTRATION

Studio Bella Summer Camp registration is online (studiobellaforkids.com) with the opening date of February 15, 2024. Early bird registration runs through March 31.
