GENERAL WAIVER AND PERMISSIONS

MISSION, FOCUS, AND TEAM

OUR MISSION

Studio Bella Explorers is a STEAM-based program that prides itself on personalization and creative thinking. As a safe, nurturing, and educational environment, the Explorers Program allows children to bloom into responsible, considerate, and contributing members of society.

OUR FOCUS

Our program focuses on fearlessly creative fun and problem -solving through STEAM, social-emotional learning, and philanthropy.

OUR TEAM

Our educators and group leaders are carefully selected and screened. Our team must complete 15 hours of training annually in child development, safety and risk, social -emotional learning (SEL), STEAM, Pediatric first aid, CPR, and curriculum delivery. A criminal background check, FBI fingerprint background check, and character reference checks are required.

1. GENERAL INFORMATION

HOURS, DAYS, MONTHS, GRADES, AND TIME OF OPERATION

Studio Bella Explorers follows the DISD School Calendar. Explorers begins on the first day of school and ends on the last full day of instruction in DISD. We serve students in PK-4 through 5th grade. Our hours of operation are 3:15 p.m.-5:55 p.m. These hours are subject to change if DISD changes school hours for the 2025-2026 school year.

ABSENCES/OFF-CAMPUS APPOINTMENTS AND RETURN TO STUDIO BELLA

If your child will be absent for the day, notify your site director so they will not expect them.

If your child has an appointment during the day, doctor/dentist, etc., or for some other reason NOT due to illness, and you plan on bringing them to Explorers:

- Notify your site director the day before that your child will not be checking in with the students on campus.
- Text your site director to let her know when your child is arriving.
- Do not release your child until a Studio Bella staff member comes to greet them.
- If your child arrives after 3:30 pm, a snack may not be available. You are welcome to send a snack with your child.

If your child goes home sick during the day, they are not allowed to return to Explorers, as this complies with the minimum standards set by the state of Texas.

If your child spent the day in the nurse's office due to illness and is sent to Explorers, we will contact you to pick up your child. Your child will need to sit by themselves, away from the other Explorers, until someone can pick them up, which complies with the state of Texas's minimum standards.

2. PROCEDURES FOR RELEASING CHILDREN:

- Parents may be asked to show a photo ID until the site director knows the parents.
- Other adults allowed to pick up children must have their names and phone numbers on the registration form.
- If someone else is picking up your child, inform the Site Director.
- They must be prepared to show their ID to the site director if the site director does not know them.
- Parents will text the site director when they arrive at the school, and the site director will ensure that the child gets to their parent/adult.
 - If we suspect the person picking up a child is under the influence of drugs or alcohol, we may call the local police and request their assistance.
- Studio Bella may not legally prevent a parent or a person designated by the parent from picking up the child.
- Law enforcement officers and DFPS Child Protective Services staff have the legal authority to remove a child without a parent's permission.
- If someone other than you may pick up your child, we need that person's first and last name, as well as a photo.
- We require a notarized copy of the custody agreements to understand the arrangements and custody schedule.

3. ILLNESS AND EXCLUSION CRITERIA/MEDICAL AND HEALTH -RELATED POLICIES

STUDENT ILLNESS PROTOCOL

The Texas Minimum Standards for Child Care states that an ill child may not be admitted if one or more of the following exist:

- The illness prevents the child from participating comfortably in child -care center activities, including outdoor play,
- The illness results in a greater need for care than caregivers can provide without compromising the health, safety, and supervision of the other children in care.
- The child has one of the following, unless medical evaluation by a healthcare professional indicates that you can include the child in the program's activities:
 - * Temperature of above 100/101 degrees and accompanied by behavior changes or other signs and symptoms of illness
 - * Symptoms and signs of possible severe illness, such as lethargy, abnormal breathing, vomiting/diarrhea, rash with fever, behavior changes, or other signs that the child may be severely ill
 - A healthcare professional has diagnosed the child with a communicable disease, and the child does not have medical documentation to indicate that the child is no longer contagious.
 - Children must be fever -free for 24 hours before returning to Explorers.
- Please note: if your child is sent home during the day with a fever, vomiting, diarrhea, or other symptoms, they are not allowed to attend Explorers that afternoon, even if they are fever -free or have not had any vomiting or diarrhea episodes once they get home. Studio Bella will not accept children who have been with the school nurse due to illness.

LICE

- If a child's head contains live lice (active insects), the Studio Bella site director will notify the parent for immediate pick-up. The child will continue activities at the director's table until they are picked up.
- Per the state of Texas, we are required to provide written notice to the parent of each child in a group within 48 hours when there is an outbreak of lice.
- If a child has received a letter from the school or we see live lice, we must notify the parents to pick up the child, and the child must immediately sit away from their group.
- Although this is no longer a DISD requirement, we are required by the state to follow the above protocol.
- A child may return to Explorers AFTER treatment.
- The state requires us to notify the parents within the child's group within 48 hours. The child's name will not be released.

4. PROCEDURE FOR DISPENSING MEDICATION OR A STATEMENT THAT MEDICATION IS NOT DISPENSED

We encourage the school nurse to dispense medications before the end of the school day.

Studio Bella requires authorization from the child's parent to administer medication in the following format:

- In writing, signed and dated.
- In an electronic format that is capable of being viewed and saved.
- By telephone to administer a single dose of a medication.
- Authorization to administer medication expires on the first anniversary of the authorization date.

We will not administer medication in a way that exceeds the label or directions provided by the child's healthcare professional. A Studio Bella team member will take children who require medication to the school nurse. If the school nurse is no longer on campus, the director oversees the administration of medicine.

The Texas Department of State Health Services now allows operations to have unassigned epinephrine auto -injectors for use in cases where a child in care experiences an emergency anaphylaxis reaction; however, Studio Bella will not exercise this option at any of our Explorers' locations.

5. PROCEDURE FOR HANDLING MEDICAL EMERGENCIES

- The staff responsible for the child will employ first aid techniques as trained.
- If the child has fallen from a high place, we do not move the child unless there is a life -threatening situation.

- If medical attention is required immediately, the staff member responsible for the child will have a fellow staff member call 911 to contact local emergency medical services.
- The director or designated staff member (preferably the staff member responsible for the child) will accompany the child during EMS transport to the hospital.
- The site director will notify parents if:
 - An injury requires medical treatment by a healthcare professional.
 - A child shows signs or symptoms of an illness that requires hospitalization.
 - A child had an emergency anaphylaxis reaction.

Per the State of Texas, parental authorization is not required when a Studio Bella team member administers a medication to a child in a medical emergency to prevent the death or serious bodily injury of the child if you administer the medication as prescribed, directed, or intended.

6. PROCEDURE FOR PARENT NOTIFICATION

For updates on policies, special events, and schedules for the week:

- Email will be the most common form of communication used by our site directors.
- Your site director will send a monthly newsletter on the 1st of every month to notify parents of the schedule and activities for the month.
- Updates will also be on our parent board on campus.
- Parents will receive an email with any changes or updates in the Plan of Operation. Our Plan of Operation/Parent Handbook is on the school campus.
- Text/phone is used if email has not been successful.

MEDICAL EMERGENCY NOTIFICATION

In an emergency, if a Studio Bella team member cannot reach the parent/guardian or listed emergency contacts, the STUDIO BELLA FOR KIDS team member will:

- Contact emergency medical personnel and, pending their arrival, take those actions that are in STUDIO BELLA FOR KIDS judgment to be in the participant's best interests.

NON-EMERGENCY NOTIFICATION

Communication between caregivers and parents is essential for the program's safe and healthy operation, as well as for parents to assess their children's care.

- For injuries or sickness, Parent notification via phone (1st) and text (2nd) after a child:
 - Is injured and requires medical attention from a healthcare professional.
 - Has a sign or symptom of an illness or contagious disease.
 - Has been involved in any situation that placed the child at risk.
 - Has been involved in any situation that renders the operation unsafe, such as a fire, flood, or damage to the operation was suspended due to severe weather.
- If the illness or injury does not require immediate medical attention and is non-life-threatening but requires a doctor's care, the site director or designated staff member will:
 - Contact the parent or guardian.
 - Arrange for transportation to the emergency room, pediatric clinic, or hospital if deemed necessary. The decision should be per the instructions of the parent or guardian.
 - If the parent is unavailable, the Studio Bella Explorers employee will decide what is in the child's best interest and safety. The staff responsible for the child will document treatments and any actions taken due to the injury or illness.

LESS SERIOUS INJURIES

Parents will be notified of less serious injuries when they pick up their child from the operation. Less severe injuries include, but are not limited to, minor cuts, scratches, and discolorations requiring first aid treatment by employees.

PATHOGEN EXPOSURE

If a participant is exposed to a body fluid on broken skin or mucous membrane (e.g., splashing in the mouth or eye) from another participant:

- STUDIO BELLA FOR KIDS will contact both parties involved.

- They will explain what has occurred and provide the name of the attending physician of the source participant to the exposed participant.
- If a staff member has a blood or body fluid exposure from a participant, the STUDIO BELLA FOR KIDS will provide the name and telephone number of the attending physician to the staff member.

COMMUNICABLE DISEASES

Per the state of Texas, Studio Bella must notify parents and the Department of State Health Services within 48 hours if we become aware that a child or employee has contracted an infectious disease. Information is reported to the Health Department anonymously.

PARENTS AND FAMILY

PARENT/GUARDIAN CODE OF CONDUCT

The following guidelines have been created to meet Studio Bella for Kids' standards, policies, and procedures, as well as the Minimum Standards for Childcare Centers and the Texas Family Code.

Studio Bella for Kids employees are not trained to review legal documents or court decrees. The information on the enrollment form will determine who is authorized to pick up a child.

- People whose behavior and/or health status pose an immediate threat or danger to the health and safety of the children must not be present when they are in the care of Studio Bella for Kids.
- Consumption of alcohol, controlled substances without a prescription, smoking, and the use of tobacco (or products to mimic smoking/tobacco) while on school grounds is not allowed.
- No confronting a child or staff in a threatening manner. If this occurs, we will ask the parent or guardian to remove themselves from the area where the children are located, and a conference will be called.
- No confrontation with children from other families.
- Do not use profanity in the presence of minors.
- Parents have the right to discipline their children; they must refrain from using physical or corporal punishment on school grounds or program spaces.

FAMILY TRANSITIONS

Families often go through new additions, challenges, losses, and/or changes within their homes. This could be the arrival of a new sibling, a divorce, a sick parent, or something else. These transitions can have a dramatic impact on children and alter their behavior. Please keep us informed of such changes so we can be sensitive to your child's needs. Open communication will help us meet your child's needs during the transition.

CUSTODIAL RIGHTS AND POLICIES

Court Orders - If parents are separated or divorced, the parent/guardian completing registration must:

- Inform the STUDIO BELLA FOR KIDS if custodial rights are joint or sole.
- If custody documentation exists regarding custody of registered minor child/children, the STUDIO BELLA FOR KIDS requires a signed copy of custody documentation emailed to explorers@studiobellaforkids.com.
- In the case of joint custody, Studio Bella for Kids must have written consent from each parent on file to add, edit, or delete names to Emergency Contacts and Authorized Pick -Up Contacts.

JOINT CUSTODY POLICIES

Our platform does not allow divided payments. Parents wanting to alternate monthly payments would need to change the payment method in their account each month.

- BOTH custodial parents must cooperate with Studio Bella for Kids for the child's well-being in Studio Bella's care and with the custodial agreement. Lack of cooperation from either parent will cause dismissal from the program.
- Custodial agreements must be submitted to Studio Bella for Kids BEFORE the child can attend Studio Bella Explorers.
- Studio Bella will follow the custody agreement. If a child is to be picked up by the other parent on a day they do not have custody. In that case, Studio Bella requires a document signed by both parents stating that it is okay to release that child to the parent who does not have custody for that particular day.

- Lack of cooperation, lack of documentation, and situations in which the police need to be called due to disagreements among custodial parents are grounds for the removal of the child from the program.

HOMEWORK & ACCOUNTABILITY POLICIES

Homework contributes to developing independence and responsibility in students for their parents. We believe homework is one of the most important responsibilities of our students.

TIME- Studio Bella Explorers provides 20 -30 minutes for homework daily, and children may continue working on their homework once all projects/tasks are completed.

7. DISCIPLINE, GUIDANCE, RULES, AND EXPECTATIONS

DISCIPLINE AND GUIDANCE

The following guidelines require information from the Texas Department of Family and Protective Services to ensure the protection of your child.

EXPLORERS COMMUNITY GUIDELINES

Our Explorers' rules vary according to the age of the children in each group. At the beginning of each semester, your child will sign an after-school contract containing a copy of the rules specific to his/her group. Your site director will post the signed after-school contract so children can always see it.

DISD RULES

- As a vendor of DISD, all children in our program must follow the DISD Code of Conduct.
- The Code of Conduct is included in the Student Handbook and is available online @ Dallasisd.org.
- To access the Student Code of Conduct, follow these steps:
<http://dallas ISD.org>>Parents/Students>Student Requirements>Student Code of Conduct. The handbook is available in English and Spanish.

CONSEQUENCES

The following protocols are in place for those who break DISD's code of conduct or Studio Bella rules:

- **Mild/First -time offense:** guided by the caregiver to correct his or her actions/behavior,
- **Medium/second -time offense:** Depending on the age and nature of the offense, the Explorer must fill out a reflection sheet to contemplate their actions and be able to choose a different behavior next time.
- **Severe/third -time offense:** An incident report will be created and placed in the child's file, and your site director will provide a copy to the parents.

Pickup time is busy and not a good time for a director to sit down and discuss the issue.

STRIKES

Studio Bella's policy follows the three -strike rule. A strike may involve calling the parent for immediate pickup for the day, depending on the severity of the action and the complexity of the situation. Severe conditions, such as the destruction of school property while children are on campus, may result in disciplinary actions from DISD being applied, along with suspension or expulsion.

A student may receive a strike for one of the following reasons. However, please know that other serious situations may call for a strike.

- Striking another student.
- Three documented incidents of disrespectful behavior/refusing to cooperate or participate/lying to a teacher or director, or
- Taking things that do not belong to him/her.
- Destruction of school or other students' property.
- Inappropriate touching of another student.
- Leaving their assigned area, the playground, or campus without permission from an adult.

STRIKE PROTOCOL

- One strike may require a mandatory conference, depending on the severity of the strike.
- Two strikes WILL require a mandatory conference with BOTH the parent/guardian and the student, a behavior plan, or suspension, depending on the severity of the behavior.
- Three strikes will result in removal from the program.

8. SUSPENSION AND EXPULSION OF CHILDREN

The conference will result in a behavioral plan, suspension, or removal from the program. Depending on the severity of the behavior and the history of the child's behavior, the following may occur:

- 1-day suspension
- 3-day suspension
- expulsion from the program
- A physical fight

If a student runs away from a group leader, site director, or any other adult supervising his/her group, that calls for immediate expulsion from the program with no refunds.

FOR DISCIPLINE NOTIFICATIONS

- Parents will be notified immediately by phone for DISD code of conduct violations and other issues, depending on the severity of the discipline issue.
- Parents are notified at the time of pickup regarding any issues of the day.
- Discipline issues will be documented, and a copy of the incident report will be given to the parent upon pick-up or provided via email, depending on the needs of the other children at the time of pickup.
- Pick-up time may be hectic, and is not when a director can sit down and have a conference regarding the issue at hand.
- If needed, your site director will email you to schedule a conference later to give the matter full attention.

CORPORAL PUNISHMENT

Studio Bella Caregivers will not physically or emotionally harm your child as we help them correct their behavior.

POSITIVE METHODS OF DISCIPLINE

Studio Bella will ensure that the guidance and discipline we provide are appropriate to the child's age, level of understanding, and the incident and severity of the behavior demonstrated.

Studio Bella Explorers' caregivers may only use POSITIVE methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, including the following:

- Using praise and encouragement of good behavior instead of focusing only on unacceptable behavior. Reminding a child of behavior expectations daily by using clear, positive statements.
- Redirecting behavior using positive statements; and
- Using brief supervised separation or time out from the group when appropriate for the child's age and development, limited to no more than one minute per year.

9. MEALS AND FOOD SERVICE PRACTICES

SNACKS AND MEAL PRACTICES. DISD will provide snacks; however, parents are welcome to provide snacks for their children.

WATER BOTTLES

We suggest the children bring a refillable water bottle.

10. IMMUNIZATION/EXEMPTION REQUIREMENTS

Students must file their immunization requirements in the school's office or have a medical exemption on file that complies with Texas Law.

Exemptions - Texas law allows (a) physicians to write medical exemption statements that the vaccine(s) required would be medically harmful or detrimental to the health and well-being of the child or household member and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does

not allow parents or guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete, and it is too much trouble to visit a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions so they can be excluded in times of emergency or epidemic declared by the Commissioner of Public Health.

Instructions for requesting the official exemption affidavit, which must be signed by parents or guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at DFPS.com. The Original Exemption Affidavit must be completed and submitted to the school. For children claiming a medical exemption, a written statement from the physician must be submitted to the school. Unless it is stated that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

INFORMATION DISCLOSURE

I agree to allow medical staff to speak with STUDIO BELLA FOR KIDS personnel regarding any medications I/my child is taking, as well as specific medical or psychological diagnoses.

11. ENROLLMENT PROCEDURES

ENROLLMENT, TUITION, LATE FEES

I authorize Studio Bella for Kids to release any health records related to me or my child as may be necessary for treatment, referral, billing, or insurance purposes.

*Consistent late pick-ups without significant communication may lead to dismissal from the program.

AFTER-SCHOOL PROGRAM CANCELLATION AND REFUND POLICY

After-School Cancellation – If your child will not attend Explorers for the last month of school, please provide written notice by **March 31st**. If you cancel your Explorers' account between **August and April**, a \$25.00 administration fee will be automatically deducted from your account. No refunds are available if the dates are not used or if you cancel during the month.

Refunds are forfeited if children can no longer participate due to behavioral problems, suspension, or expulsion.

Note: Cancellations due to extended illness or extreme family hardships will be reviewed on a case-by-case basis.

21. EMERGENCY PREPAREDNESS PLAN

INCLEMENT WEATHER - Studio Bella received their directive from DISD. If DISD is closed or relays that after-school programming is closed due to inclement/impending weather, Studio Bella is closed

SCHOOL-RELATED EMERGENCY PLAN

Children with special needs will be identified at the beginning of the semester and assigned to a caregiver. A Studio Bella Employee will be assigned to keep the child safe and ensure they have the tools to travel in emergencies. Parents will be notified via phone when the children are safe and settled.

SHELTERING/LOCKDOWN OF CHILDREN - Staff/caregivers should move to the nearest room. Students outside should not reenter a building if there is a threat. Staff and caregivers should lock doors, cover windows, and turn off the lights to ensure the area is secure. If classrooms cannot be closed, doors will be barricaded. Students and staff should hide behind furniture or other barriers out of sight. Try to secure the door in another way. Each staff member or caregiver will ensure the students are currently in their care. Turn the ringer off. Caregivers and staff will notify contacts on the chain of command of the attached evacuation plan as soon as it is safe to do so. The caregiver in charge will account for the children. A Studio Bella employee will notify parents as soon as it is secure.

SEVERE STORM/TORNADO—Students will line up in the hallway (see map). Check your email and text frequently during a severe storm or tornado watch or warning to see if DISD plans to close school campuses early. The site directors will also communicate via email and text when a decision has been made. Please see our **inclement weather and school cancellation** policy for more detailed information.

EMERGENCY COMMUNICATION —Communications will begin with the director on-site. Any mass communication will be delegated to the caregivers so that they may help facilitate it. Communication with local authorities, such as

fire, law enforcement, emergency medical services, health departments, and school leaders, will begin with the director and be delegated to staff and caregivers. Please see the attached map of the evacuation plan.

DAMAGE ASSESSMENTS

In that case, STUDIO BELLA FOR KIDS reserves the right to charge a damage repair assessment fee.

FORCE MAJEURE

The performance of this Agreement by the STUDIO BELLA FOR KIDS is subject to an act of God, government authority, curtailment of transportation, disaster, widespread illness, including epidemic and pandemic events, and other emergencies, any of which make it illegal, impossible, or commercially impracticable, for the STUDIO BELLA FOR KIDS to perform its obligations. 25. PROCEDURES FOR SUPPORTING INCLUSIVE SERVICES

ACCOMMODATIONS

CHILDREN WITH SPECIAL NEEDS, MEDICATIONS, 504s, IEPs, BEHAVIOR PLANS, AND ALLERGIES

Studio Bella seeks to have all children participate in our programming. However, it may be necessary to evaluate whether our programs are the right choice for a particular child or family.

Registering for our program does not guarantee admission. Sometimes, we need to determine if our program is suitable for your child. Our programs are not for a 1:1 care ratio. We respect and follow the Americans with Disabilities Act, which protects individuals with special needs and providers of care for these individuals.

If your child has a 504, an IEP, a Behavior Plan with the school, or an Allergy Plan with a pediatrician, we require

- the 504/IEP/Behavior plan documents that will help us serve your child to the best of our abilities.
- medication regimen.
- doctor's documentation of the allergy plan.

If more information is needed to assess the situation, we will contact you by phone or email and request a conference if necessary.

PLEASE READ CAREFULLY. THIS DOCUMENT AFFECTS YOUR LEGAL RIGHTS AND THOSE OF MINORS. IT IS LEGALLY BINDING. BY SIGNING THIS AGREEMENT, YOU RELEASE STUDIO BELLA FOR KIDS AND RELATED PERSONS/ENTITIES FROM ALL LIABILITY AND FOREVER GIVE UP ANY CLAIMS.

Assumption of Risk I, in my capacity, or my legal capacity as the parent/guardian of the minor named below ("Minor"), acknowledge and agree that any use of STUDIO BELLA FOR KIDS facilities, services, equipment, and premises ("Facilities") and any participation in STUDIO BELLA FOR KIDS programs and activities ("Programs") comes with inherent risks. These include but are not limited to (1) personal injury, (2) property damage, (3) disability, (4) death, and (5) sickness or disease. I, voluntarily, for myself and/or Minor, accept and assume full responsibility for these risks. I also voluntarily, for myself and/or my Minor, accept and assume full responsibility for all other risks associated with facility use and Program participation. For myself and/or Minor, I agree that I know the nature and extent of all such risks. For myself and/or Minor, I am not relying on all such dangers described in this document. Nor am I relying on any STUDIO BELLA FOR KIDS employees or anyone else to communicate them to me.

I understand that Facility use and Program participation are voluntary. A parent can withdraw a child from Studio Bella Explorers by following the Studio Bella cancellation protocol. I understand that any activities related to, arising from, or connected with Facility use and Program participation involve some element of risk. I agree, in my capacity and my legal capacity as the parent/Guardian of a Minor, that in partial consideration of the STUDIO BELLA FOR KIDS making these facilities and programs available, I will not try to hold the STUDIO BELLA FOR KIDS, its officers, directors, agents, employees, volunteers, insurers, and representatives ("Releasees") liable in damages. This includes damages for any injury or loss to person or property that Minor or I sustain in connection with, arising out of, or related to, the Facilities or Program. I understand that I am now releasing the STUDIO BELLA FOR KIDS -, its officers, directors, agents, employees, volunteers, insurers, and representatives (Releasees) from any liability for any injury to myself and Minor arising in connection with, related to, or arising out of, the Facilities or Programs. I, on my behalf and on that of Minor, give up any right to take legal or quasi-legal action against Releasees for any injury.

Waiver, Release, Indemnification, and Covenant Not to Sue In consideration of my own and/or Minor's Facilities use and/or Program participation, I, in my capacity or legal capacity as parent/guardian of Minor, agree on behalf of myself and Minor that Releasees will not be liable for any personal injury, property damage, disability, death, sickness, or disease incurred by myself, my family members, dependents, or guests, including Minor, however occurring. This includes but is not limited to any personal injury, property damage, disability, death, sickness, or disease arising out of, or in connection with, the negligence of Releasees. I understand that Minor and I will be solely responsible for any loss or damage, including personal injury, property damage, disability, death, sickness, or death sustained from my own or Minor's use of Facilities, and Program participation, or both.

I agree on my behalf, and in my legal capacity as parent/guardian of Minor, to waive any liability arising out of any actual, alleged, or threatened infectious, pathogenic, toxic, or other harmful properties of any "organic pathogen". This includes, but is not limited to, bacteria, viruses, or other pathogens, whether they are microorganisms. This waiver applies if such "organic pathogen" results from a local, state -wide, national, or global outbreak, epidemic, pandemic, or unknown cause. I further agree, on my behalf, and in my legal capacity as the parent/guardian of Minor, on behalf of Minor, myself, and all legal successors and proxies, to release and now DO RELEASE, WAIVE AND COVENANT NOT TO SUE Releasees from any causes of action, claims, suits, liabilities, or demands of any nature. These include but are in no way limited to, claims of negligence, which Minor, me, and all legal successors and proxies may have, now or in the future, against Releasees because of personal injury, property damage, disability, death, sickness, disease, or accident of any kind, arising out of, connected with, or in any way related to Facilities use or Programs participation. This release, on behalf of the minor and me, applies, regardless of whether the injury or damage occurs, including but not limited to, the negligence of the Releasees. It will apply whether participation is supervised or unsupervised.

In further consideration of the use of Facilities and participation in Programs, I, on my behalf and in my legal capacity as parent/guardian of Minor, agree on behalf of myself and Minor to INDEMNIFY AND HOLD HARMLESS Releasees from all

causes of action, claims, demands, losses, suits, liabilities, or costs of any nature at all. These include, but are not limited to, negligence claims arising out of or in any way related to the Minor's use of the Facilities or Program participation, or both.

I further agree, on behalf of myself, and in my legal capacity as parent/guardian of Minor, and all legal successors and proxies, to release and HEREBY DO RELEASE, WAIVE, AND COVENANT NOT TO SUE Releasees from any causes of action, claims, suits, liabilities, or demands of any nature. These include but are not limited to, claims of negligence, which I, Minor, and all legal successors and proxies may have, now or in the future, against Releasees because of personal injury, property damage, disability, death, sickness, diseases, or accident of any kind, arising out of or in any way related Facilities use or Programs participation. I agree that this release, waiver, and covenant not to sue apply; however, the injury or damage occurs. It includes, but is not limited to, the negligence of the Releasees. I further agree that it applies whether participation is supervised or unsupervised. For another student, it is an automatic 1 -day suspension.
